

## STUDENT QUESTIONNAIRE AND COURSE ASSESSMENT

### “Specialist Delivery Course”

Course date: \_\_\_\_\_

Course location: \_\_\_\_\_

In order that we can maintain the course material and tutoring at the highest level, would you please comment on each session, giving its value to you as a student, your opinion of its presentation and its content. Do not feel that you are confined to these three areas alone, but feel free to be as wide ranging in your views as your wish. It is suggested that you should complete each session each day.

So that we may build up a ‘profile’ of students assessments, will you, in addition to your written comments, give the course a numerical value? You will notice that alongside each session we have numbers 1 to 7. Put a circle round a number, which you feel is how you would grade that session. 1 would mean very poor indeed and then upwards to 7.

- 1 = very poor
- 2 = poor
- 3 = average
- 4 = average – good
- 5 = good
- 6 = very good
- 7 = excellent
